Model D8A Electric sightseeing car 8 seats

Electric sightseeing car that can handle the tough jobs while going easy on the turf. Electric sightseeing car has the hauling power you would not expect from an electric vehicle

The outside cover of this electric car made of steel, unlike the ones made of FRP, our materials are not easily broken. Even after accidents, this kind of sightseeing cart can be easily fixed.

As a manufacturer of this field for many years, we have been concentrating on quality control all the time. We're a more reliable partner.

Why choose Langjie's electric cars for work?

- Hundreds of configurations available
- 3 different types of cars to choose
- 100% made in China

Whether you need to transport 14 guests with luggage box, or 12 guests with two facing rearwards, the Standard 14seats is a beautiful addition to any resort's fleet. Using the latest design and quality components from around the global, while providing excellent value for money. Ensuring a level of comfort unavailable, Adjustable camber provides longer tyre life. Rollaway protection and downhill regenerative braking are included as standard equipment.

Have your vehicle finished in your choice of colour scheme, with black or ivory coloured seats. Other options include alloy wheels, AC motors, weather enclosures and rear vision mirrors. The Standard 14seats is one of the most beautiful golf carts has ever seen! With class-leading 150mm ground clearance, headlights and tail lights, this 14-seat tourist cart is worthy of your consideration.

Efficiency

Go far with little or no environmental impact. EV people movers feature 48 V batteries that drive 50-60 miles after one full charge.

Universities – Shuttle students, faculty, and parents safely around campus.

Hospitals – Transport patients and staff quickly through medical campuses.

Theme Parks – tours through the park with zero emissions.

Resorts – Just part of the luxury. Move guests through the resort with efficiency and style.

Airports – Shuttle travelers between gates. No need to miss a flight.
