FAQ

Q1. Do you accept to customize the vehicles as per our special request?

Answer: Yes, we customize vehicles as per customer's special request with reasonable cost and lead time, as long as the customization is not related to the chassis modification.

Q2. What is your warranty term?

Answer: Our main parts warranty, such as: motor, electronic control, rear axle, charger warranty for one year. Others are not warranty. If it is artificial, there is no warranty. If it is a quality issue, provide relevant pictures, descriptions, and videos to let our company's relevant departments confirm whether there are quality issues.

Q3. Do you provide after service spare parts?

Answer: Yes, we provide all the spare parts to our vehicles, even we stop the production of the vehicle. For your easier working to select the spare parts, we also supply parts manual.

Q4. Do you provide technical support?

Answer: Yes, we provide technical support by email and phone.

Q5. What are your terms to be your agent/dealer in my country?

Answer: We have several basic requirements, firstly you shall be in electric vehicle business for some time; secondly, you shall have the capability to provide after service to your customers; thirdly, you shall have the capability to order and sell reasonable volume of electric vehicles.

Q6: What is your payment term?

Answer: For new customers, our typical payment term is 'T/T 30% deposit against order confirmation, T/T 70% before shipment. Please contact us for more information.
