Frequently Asked Questions

Q1. What golf cart parts do you supply?

A: We supply a wide variety of parts, including steering boxes, suspensions, lift kits, wheel hubs, steering shafts, steering yokes, shock absorbers, and more.

Q2. How long have you been dealing with golf cart parts?

A: Since 2003.

Q3. Do you develop products based on samples?

A: Yes, we can develop new items according to customers' samples.

Q4. Do you accept small-quantity orders?

A: Yes, we have some items in stock. Or we can combine small-quantity orders with those of other customers for production.

Q5. Can we also purchase the parts?

A: Yes. If you do maintenance services, you can also buy parts from us. We are professionals in after-sales service.

Q6. How do you provide after-sales service once a customer buys a cart from us?

A: Once you purchase a cart from us, I will provide you with a manual for reference and teach you how to fix it.

Q7. What is your minimum order quantity (MOQ)?

A: The MOQ is 1 unit.

Q8. How do you build and maintain a long-term and good business relationship?

We maintain good quality and competitive prices to ensure the benefits of our customers.

We treat every customer as our friend. We do business sincerely and make friends with them, regardless of where they are from.

Welcome to visit our factory!
